Any exceptions are to be noted below. You also warrant that the Article does not violate anyone's copyright, right of privacy, or other right whatsoever of any third party, and is not defamatory of any third party or otherwise unlawful in any respect. You agree to indemnify us against any claim or action alleging facts, which, if true, constitute a breach of any of the foregoing warranties.

3rd Party Copyrighted Content: If your article contains third-party copyrighted material (images, illustrations, etc.) that you do not own copyright to, please check this box to confirm that you have obtained and submitted a copy of the required releases for publication under a CC BY license. You must include proper copyright notice as required by the original copyright holder. Unless you have provided a copyright notice or credit line that attributes the content to another copyright holder, the terms of this agreement will govern the content as well.

Use of LLM and GAI: If, and to the extent, you use LLM or GAI in connection with the creation of your Article, you will notify the Press and describe with specificity the nature of such use.
